

Baby Bath

A gentle, soap free indulgence naturally balanced to the pH of your baby's delicate skin. Essential oils of Chamomile and Lavender provide a calming and soothing experience that won't irritate baby's hair or eyes. Leaves no greasy film around the bath.

Little One Baby Bath is non-irritating to skin and eyes and provides baby's skin with enriched emollients of new glucose derivatives.

Naturally balanced to the pH of baby's delicate skin, Little One Baby Bath cleanses gently without affecting resident microflora, conditioning baby's skin to a silken cuddliness.
